I heard back from Suzanne today. She left me a voicemail saying that she had planned to meet yesterday with Darcy, but had to reschedule it. She said she'd get back in touch with me once she has met with Darcy. I'm out on EPA travel on Monday but will follow up with her Tuesday or Wednesday if I haven't heard back. And, Brian and I are meeting on Tuesday to discuss this further.

FYI – per the email below, Ryan says it's going to take him some time to get additional information that he needs to map the Tribes' Black Hills trust property. Do we have a timeline or deadline by which we need the mapping to be complete?

Hi Paul,

I wanted to give you a heads up that the request to map the description for the Pe' Sla is not straight forward. I am looking into it but I may need to find some other data sources to identify the Government lots in Section 7 below. Also confusing is that the description for Section 8 actually maps all of Section 8 and I am not sure if that is what was intended. I will keep you informed.

Thanks Ryan. Much appreciated.

Can you also map the trust land listed below?

The legal description for Pe' Sla is as follows:

Township 1 North, Range 2 East, Black Hills Meridian, Pennington County, South Dakota,
Section 12, E½
Section 13, N½NE¼; and

Township 1 North, Range 3 East, Black Hills Meridian, Pennington County, South Dakota,
Section 4, SW¼SW¼
Section 5, SW¼, W½SE¼, and the S½SE¼SE¼
Section 7, Government Lots 1, 2, 3, E½W½, NE¼, N½SE¼, including Lot A in the SE¼NW¼
And also in the SW¼NE¼ as shown on the plat filed in Plat Book 3, Page 40; SE¼SE¼
Section 8, N½, N½S½, SE¼SW¼ and S½SE¼; SW¼SW¼
Section 9, W½NW¼ and NW¼SW¼,

containing 2,022.66 acres, more or less.

Hello Paul and Valois,

I have mapped the Dewey – Burdock permit area based on a QC'd version of the description below. It is available in the Land Status Verifier application in the UIC Project Areas layer in the UIC tab. I would like to point out that you have the ability to change the transparency of the layer in the App by clicking on the 3 dots to the right of the layer and using the transparency slider. Please let me know if you have questions.

Ryan, Valois and John,

Could you map the trust land listed below in the LSV tool?

Ex. 5 AC/DP

Please let me know if you need any other information. For example, the information provided below is in the township/range format, including specific lots. It's not GIS coordinates. Not sure if we can get those coordinates from DOI or not. Hopefully this will be enough to map it, but let me know if we need to do some more digging.

Hi Tony –

We're looking forward to our call with you next Wednesday 10/17 if this time works on your end. We're envisioning a pretty general discussion – primarily aimed at creating an opportunity for our offices to meet and share some information on projects/legal issues in which our respective agencies might have an interest. Here are some initial thoughts on a rough agenda for the call. Please feel free to add or edit:

- EPA Region 8 Office of Regional Counsel – introduction and information
- DOI Solicitor's Office – introduction and information
- General Discussion of projects/legal issues that might be of common interest
- Wrap up and any follow up items (eg., list of attorney contacts for our offices, plan for future calls on specific issues/projects, etc.)

On our end, we plan to have on the line:

- KC Schefski, Regional Counsel
- Brian Joffe, Deputy Regional Counsel
- Lucita Chin, Staff Attorney
- Mike Boydston, Staff Attorney
- Erin Perkins, Staff Attorney
- Mai Denawa, Staff Attorney
- Paul Logan, Staff Attorney
- Kimi Matsumoto, Staff Attorney

Thanks!

Kimi
